# SESHA 34<sup>th</sup> Annual Symposium

## Call for Abstracts

The SESH A 34th Annual International High Technology ESH Symposium and Exhibition will be held at the Dolce Hayes Mansion in beautiful San Jose, CA, April 9-13, 2012. The cultural thrills of San Francisco, the vineyards of Napa Valley, and the sparkling beaches of Santa Cruz all lay within easy reach of the estate's prime location, 15 miles from San Jose International Airport and 45 minutes from San Francisco and Monterey.

You are invited to submit an abstract to be considered for inclusion in the Symposium. Papers are being solicited for the following topic areas:

- Greenhouse Gas Programs (Emissions Estimating, Inventory Tracking, Abatement Technologies, etc.)
- Global Harmonized System and Compliance Strategies
- ESH & The Supply Chain
  - Global Chemical Regulations and Compliance Strategies (REACH, RoHS, TSCA Reform, GHS, etc.)
- Emerging ESH Codes and Regulations
- ESH Issues in the PV / Solar Manufacturing Industry
- Safety / IH Issues and Programs (Electrical Safe Work Practices, Lockout/Tagout, Implanter Safety, Ergonomics, IH Sampling Strategies, New Chemical Toxicology, etc.)
- Energy and Utility Conservation / Alternative Energy Technologies
- Nanomaterial ESH Studies
- Risk Management
- Climate Change Mitigation Strategies
- Chemical Management and Pollution Prevention Technologies
- Waste Minimization and Green Programs (Recycle, Reclaim, Reuse Strategies / Sustainability)
- Corporate Social Responsibility (Conflict Minerals Reporting, EICC, etc.)
- Lessons Learned

Presentations should be 45 minutes in duration (please include approximately five minutes for questions and answers). Speakers will be expected to use electronic presentation materials displayed through a data projector.

Abstracts and bios are to be submitted to  
<http://www.semiconductorsafety.org/meetings/2012/abstracts/>

- The deadline for abstract and bio submission is 27 Jan. 2012.
- Notification of acceptance or rejection will begin 13 Feb. 2012.
- Selected speakers must submit a paper or presentation materials by 1 March 2012 for peer review.

## *Professional Development Courses*

You are invited to submit a syllabus for a Professional Development Course (PDC) to be held at the Symposium. PDCs can be either full day or half day. Submit abstracts and bios  
<http://www.semiconductorsafety.org/meetings/2012/abstracts/>

PDC's and Speakers in the following subject areas are especially encouraged:

- Introduction to Semiconductor and Photovoltaic ESH
- Codes and Regulations (Specific to Semiconductors and Photovoltaics)
- Risk Management
- Emerging ESH Issues (Nanomaterials, New Chemistries, etc.)
- Emergency Response

Each course will have a target audience indication to assist attendees in choosing their courses. Please include a syllabus of the course, an abstract (using the same format as noted on the submission for Symposium abstracts), bios of presenters and a budget.

- The deadline for PDC syllabus submission is 27 January 2012.
- Notification of acceptance will begin 13 February 2012.
- Final determination on PDC enrollment/breakeven will be 24 February 2012.

If you have any questions, please contact the SESH A Secretariat at (703)790-1745.

We look forward to seeing you April 9-13, 2012 in San Jose, CA.

**CHECK THE SESH A WEBSITE FOR EVENTS THAT ARE BEING PLANNED FOR THE SESH A SYMPOSIUM. PLANS ARE UNDERWAY FOR THE FOLLOWING ACTIVITIES:**

- **GOLF TOURNAMENT**
- **WINE TOUR**

## *SESHA Exhibits and Sponsorship*

SESHA's Annual Symposium is the semiconductor industry's leading forum for advanced technology, attracting decision-makers who need to know where the industry is heading. This Symposium will attract environmental managers, safety engineers, industrial hygienists, occupational health professionals, directors of ESH, consultants, health and safety managers, facilities and operational staff and more.

By exhibiting or sponsoring this symposium, your company will enjoy exclusive access to SESHAs members as well as non-member attendees. The attendees represent many disciplines of the high technology industry including environmental, safety, industrial hygiene and facilities engineering from around the world.

This is the perfect venue for you to network, promote your products, develop brand loyalty and distribute information. You can talk face-to-face with your most important clients, customers and buyers.

**Because it's a tie to future business.** The message of a well-designed exhibit helps you develop new leads while increasing the educational value of the meeting for attendees. Get your message across to decision makers in the high-tech industry at the SESHAs 34<sup>th</sup> Annual Symposium.

For more information, an exhibitor prospectus or to sign up for a booth, visit our website or contact Lori Strong at [lstrong@BurkInc.com](mailto:lstrong@BurkInc.com) or 703-790-1745, ext 29.

### **Hotel Information**

#### **Dolce - Hayes Mansion Hotel**

Once a private estate, the historically grand Hayes Mansion now welcomes guests to experience comfortable elegance amid lush landscapes and dramatic views of surrounding mountains. The cultural thrills of San Francisco, the vineyards of Napa Valley, and the sparkling beaches of Santa Cruz all lie within easy reach of the estate's prime location, 15 miles from San Jose International Airport and 45 minutes from San Francisco and Monterey. Rooms may be reserved online by going to the SESHAs website and clicking on the hotel link. A block of rooms have been reserved for 7-13 April 2012. The special room rate will be available until 10 March 2012 or until the group block is sold-out, whichever comes first. The special room rate is \$125 single/double.
