

# **TEXAS EHS ROUND UP MINI CONFERENCE**

**Tuesday, February 6, 2007**

**7:30am – 4:00 pm**

**Freescale Semiconductor**

**7700 W. Parmer Lane**

**Austin, TX**

**SPONSORED BY:**  
**SESHA**  
**FREESCALE**  
**ISMI**

**BCSP and ABIH Points available.**

# Agenda

*Moderator—David Sexton, Applied Mechanical*

**7:30 Registration**

**8:20 Welcome & Introductions: *David Sexton; President, SSHA Hill Country Chapter***

**8:30 Remarks *from SSHA President Karl Albrecht, Fairchild Semiconductor***

**8:45 Texas Instruments' "Green" Semiconductor Plant; *Terry Dalton, Texas Instruments***

**9:15 Nanotechnology: Current Status of ESH and Regulatory Activities; *Mary Majors, Air Products and Chemicals, Inc.***

**9:50 Break**

# Agenda

- 10:20**    WEEE, REACH, & RoHS in EU; *Griffin Teggegan, Freescale Semiconductor*
- 10:55**    Pandemic Planning; *Don Lassiter, OHS Systems*
- 11:30**    **Lunch** (*Provided*)

# Safety & Risk Management

*Moderator—Ed McCarthy, Freescale*

- 12:30** Safe Work Practices for Working on Energized Electrical Circuitry in Cleanrooms; *Jim Evans, Mike Alton, Texas Instruments*
- 12:50** International Building and Fire Code Development; *Scott Stookey, ICC Safe*
- 1:10** Risk Management and Property Protection: Safety Professional's Role; *Dick Thielen, Spansion*
- 1:30** Austin Energy's Commitment to the Community & Its Employees; *Kerri Davis, Austin Energy*
- 1:50** **Break**

# Industrial Hygiene & Occupational Health

*Moderator—Miriam Vaughn, Spansion*

- 2:20**    Strategies for IH Monitoring of Contractors; *Tiffany Ashwell, URS; Don Baskin, ATDF; Mike May, Spansion; Steve Roberge, Axcelis*
- 3:00**    Chemical Control and TSCA; *Ed McCarthy, Freescale Semiconductor*
- 3:20**    Maintaining Good Health When Traveling Internationally; *Pauly Vliet, LVN, Passport Health Austin*
- 3:40**    **Closing Remarks and Door Prize Drawing**

# Environmental

*Moderator—Brett Davis, Zephyr Environmental*

- 12:30**    **Pretreatment Compliance Program Local Limits Discussion**; *Antonio M. Canales, City of Austin Special Services Division*
- 12:50**    **Using Electrodeionization Technology to Recycle HF Wastewater**; *Adrienne Pierce and Dr. Chris Jones, BOC Edwards*
- 1:10**    **POU Abatement Lessons Learned**; *Mike Sherer, Sherer Consulting Services*
- 1:30**    **Reducing Volatile Organic Compound Emissions Through Improved Waste Management**; *James Beasley, Intel*
- 1:50**    **Break**

# Sustainable Development

*Moderator—Steve Trammell, Freescale Semiconductor*

**2:20**    **Design for Sustainability: Moving Beyond DfEHS;**  
*Laurie Beu, Laurie S. Beu Consulting*

**2:40**    **Dell's Climate Change Strategy;** *Sarah Gibson, Dell*

**3:00**    **BKMs for Energy Reduction;** *Phil Naughton, Freescale Semiconductor*

**3:20**    **Development of a Supply Chain Code of Conduct Management framework in the Electronics Industry;**  
*Shari Carle, Dell*

**3:40**    **Closing Remarks and Door Prize Drawing**
