

Plug-in Partners Campaign

Mark Kapner
Senior Strategy Planner
Austin Energy

September 21, 2006

The Perfect Storm

❑ Economics

Cheap oil is running out

❑ Environmental

Pressure to curb pollutants from transportation

❑ National Security

Pressure to curb dependence on oil

Alternatives to Petroleum

- 1. Energy Efficiency**
- 2. Alternative Fuels**
- 3. Hydrogen**
- 4. Electricity**

Electricity Advantages

- ❑ Cost
- ❑ Infrastructure
- ❑ Multiple Fuels
- ❑ Renewable Energy
- ❑ Emissions

Benefit to Electric Utility

- **Increase off-peak electric sales by approximately 3,000 kWh per year for each PHEV**
- **Electric “refueling” is a DISPATCHABLE LOAD**

Hybrid Vehicles

Toyota Prius

Honda Civic

Plug-In Hybrid Power Train

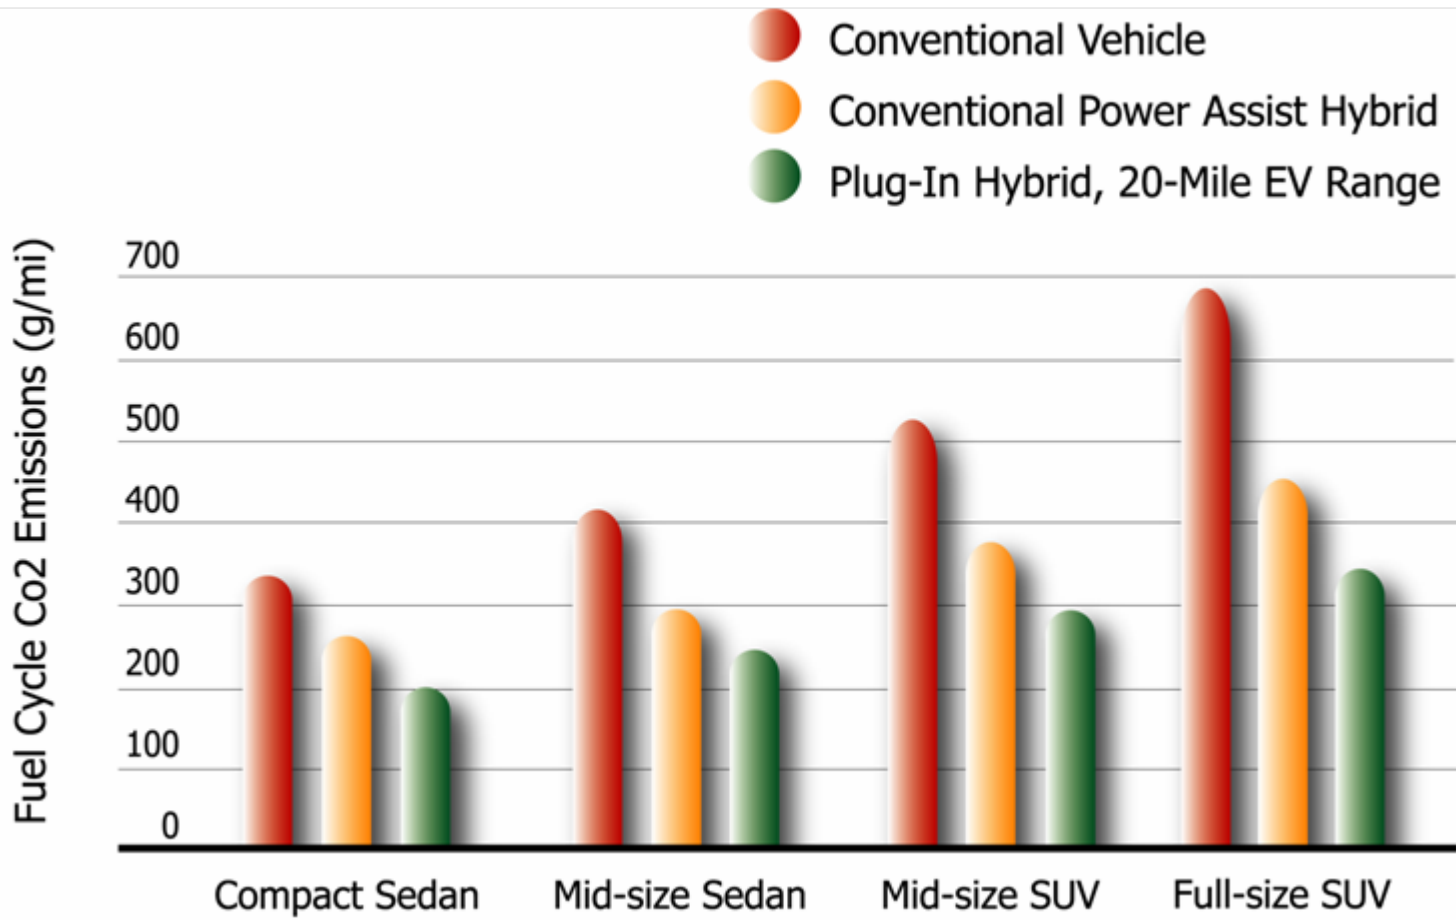

Modest Electric Range – Large Impact

Plugging In Improves Equivalent Fuel Economy

Comparative Co2 Emissions

Nitrogen Oxides - pounds per 12,500 miles

The Dodge Plug-In Hybrid Sprinter

University of California at Davis

Prius+

Plug-In Austin

- ❑ **Purpose:** Demonstrate a market for flexible-fuel plug-in hybrid electric vehicles
- ❑ Austin Energy rebates
- ❑ City of Austin and other local government and business fleet orders
- ❑ Petitions and endorsements from businesses, environmentalists, and others

Plug-In Partners Campaign

- ❑ **Purpose:** Demonstrate a national market for flexible-fuel plug-in hybrid electric vehicles
- ❑ **Coalition:** Local and state governments, utilities, businesses and non-profit organizations
- ❑ **Actions:** “Soft” fleet orders, endorsements, rebates and incentives, petitions and letters
- ❑ **Kickoff:** January 24, 2006
National Press Club
Washington, DC

How to Become a Plug-in Partner

- 1. Pass a Resolution**
- 2. Sign a Letter of Commitment**
- 3. Make a “Soft” Fleet Order**

Ways to Help as a Partner

- 1. Obtain “soft” fleet orders from local government and businesses.**
- 2. Create incentives and rebates**
- 3. Support a Petition Drive**
- 4. Consider recruiting other entities in your region**

A Unique Coalition

“I call this a coalition between the tree-huggers, the do-gooders, the sod-busters, the cheap hawks, and the evangelicals.”

James Woolsey, former CIA Director at January 24, 2006 Plug-In Partners Kickoff
